Truth does not care who says it or where it is published. The Bible says "test all things, hold fast what is good" *1Thess 5:21*
Test what you have read.

God Said Vote!

**NO EXCUSES IN AMERICA
PROV 29:2**

**On Judgment Day,
God may say ...**

This is not ancient Rome.

Christians have a choice.

***Often less than 30% of
those who call themselves
Christians vote.***

***Many "Christians" choose
money over morality!***

Judgment Day!

When you stand before God's Judgment seat to answer for what you have done (*2 Cor 5:10*) He may say, "You were an American. I blessed you folks beyond any people in history. I made you a free people. I made you sovereign over your own affairs."

¹When you hear those words, will you say, "I couldn't help what happened! Those pagans were in charge!" If you do, be prepared to hear God say, "They were in charge because YOU LET THEM BE IN CHARGE!"

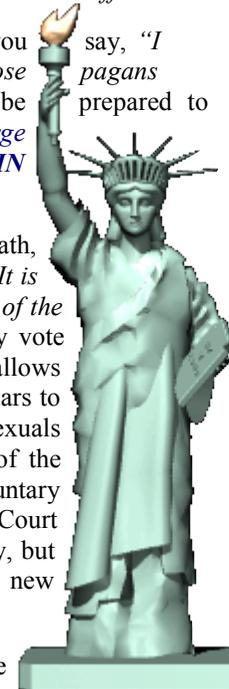

Christians should be "scared to death, not to vote." Christians know that "It is a fearful thing to fall into the hands of the living God" *Hebrews 10:31*. Every vote that a Christian does not cast, allows godless humans to use your tax dollars to force school boards to allow homosexuals to teach your children their view of the world. Every vote not cast is a voluntary submission to appoint Supreme Court justices that censor only Christianity, but not the satanic, far east, pantheism, new age, witchcraft, atheist, ..., religions.

Americans have no choice before God. God said for Christians to love their neighbors as themselves (sacrificial love that takes action). But non-voting Christians are purposefully standing by while millions of their neighbors are murdered. Are you your brother's (baby's) keeper?

Since when did God say for Christians to cast their vote for economics before morality? Since when is a baby's life expendable to prevent economic hardship?

Since when did God say it's OK to be a Republican instead of a Christian? A Christian's loyalty is to God, not to a godless party. If the other party has a less evil candidate, you had better cast your Christian vote accordingly.

Since when did God say it's OK to be a Democrat, because they used to be more ethical than the other guy? Since when did God say to vote according to your parent's view? God said to be loyal to Him in ALL things, above parents, wife, kids, ..., etc. . *Luke 14:26*

Politics means Citizenship

Politics is not supposed to be a ruthless, manipulative, sick pursuit of power at any cost. In fact, the root of the term "politics" is a Greek word meaning "what citizens do." Politics means citizenship!

**America is Not
Ancient Rome.
America's Citizens
Have a Choice.**

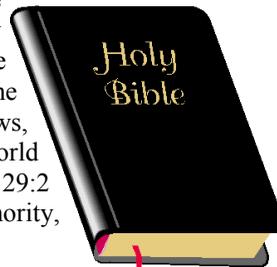

If you think politics must be a dirty business, then it must be a dirty business being a citizen. Is it? Is citizenship corrupt and without integrity and all the things

we say of politics?

The truth is citizenship (and therefore politics) only becomes corrupt when citizens of integrity forsake their birthright! **Citizenship means participation!**

Christians have no excuses before God not to participate. Even if Christians are outnumbered, they have no excuse to not vote and let godless agnostics control the laws they live under. This is not ancient Rome, Christians have a choice. Christians are not servants to this world. Christians are servants to God.

Politics started in this country from people who claimed to follow God. From the evidence around us today, they did a far better job than we have today. They created the greatest economy, freedom, laws, and educational system the world has ever seen. Proverbs 29:2 "When the righteous are in authority, the people rejoice, ..."

But in 1962-63, the anti-Constitution and anti-Christian Supreme Court forced your children to ignore God in school. Immediately after this decision, **every measurement of America's children** started getting worse (SAT scores, unwed pregnancies of girls under 15, sexually transmitted diseases, suicides, crimes, etc.). Come see the congressional records for yourself. Over 40 congressional measurements of our society broke suddenly downward after 1962-63 (divorce rates, violence, economics, having children without being married, rapes, etc.).

Why the UnGodly Get Elected

Voter participation: Voter participation among “Christians” is far too low. Turnout for the 1996 presidential election and for the 1998 primaries was the **lowest ever**.

And it is just as bad in local “politics”. We let atheists and pro-pornography candidates get elected to school boards, then wonder why our children get taught trash. We allow men of greed to control city councils, then wonder why saloons and casinos get building permits and churches do not. The list could go on and on. These ungodly acts fill your newspapers and your nightly news but rarely do they even hint at the cause.

We American “Christians” have used the excuse that “politics turns us off” and therefore we have forgotten to be citizens. **God has not forgotten what He provided for us, but we have forgotten.**

IT IS THE ABANDONMENT OF OUR ELECTORAL PROCESS TO THE UNGODLY THAT GETS SO MANY CORRUPT LEADERS ELECTED!!! Then “politics” becomes something politicians do while the people shake their heads in disbelief.

Those who think it is the President’s job to govern are abandoning their responsibility. Those who think it is the Supreme Court’s job to make the final decision on everything are abandoning their responsibility to God.

CITIZENSHIP! Our Founders pledged their lives, fortunes, and sacred honor so you and I can be citizens and participate in our own government. We **must** do this.

Founding Father John Adams said “**Our Constitution was made only for a moral and religious people** ². ... **Religion and virtue are the only foundation ... of all free governments** ³.” George Washington said *no one can be called an American patriot who ever tries to separate government from its two foundations, religion and morality.*

Path to Tyranny?

A people that has forgotten to be citizens is ripe for tyranny! Friends, we know this from history. Our Founders knew it, and the Declaration of Independence bears witness to it. Our fathers and grandfathers knew it, and stood up against Nazism and Communism.

The 20th century had some of the worst atrocities by governments in modern history, all because people in places like Germany and Russia forgot to be citizens! Remember Proverbs 29:2 (ASV) “**When the righteous are in authority, the people rejoice, But when a wicked man rules, the people groan.**”

Mussolini was wonderful, they said, because “*he made the trains run on time.*” Some leaders have high ratings in the opinion polls because the economy is good. Yet their regime is totally corrupt.

How can this happen? Friends, it’s too easy. Indifference, from moral God-loving people who forgot to be citizens, is what permits an immoral politician to be elected.

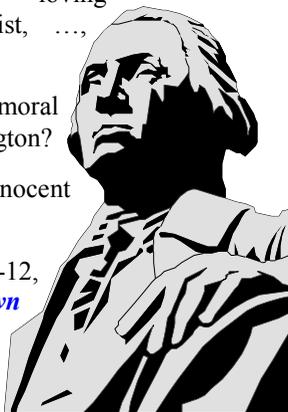

Is there another “Xerox copy” waiting to take their place? Of course there is. As long as God-loving people do nothing, Satan-loving people will be in control. (God says there is no middle ground, remember? Matt 12:30)

What’s next? Will your next congressman, school board council, governor, or president be a “sincere” atheist, “honest” homosexual, “loving” pedophile, “concerned” rapist, ..., etc.?

Or will we return to the moral principles of a George Washington?

Can you stand by while innocent people are killed (babies)?

Read Proverbs 24:11-12, “**Deliver those who are drawn toward death, ... If you say, ‘Surely we did not know this,’ Does not He who weighs the hearts consider it? He who keeps your soul, does He not know it? And will He not render to each man according to his deeds?**”

Christ Said, Render Unto Caesar ...

The answer cannot be dropping out and turning off. In fact, dropping out is immoral and ungodly. We have a responsibility to help/love our neighbors.

Yet many people use Christ’s words, “*Render to Caesar the things that are Caesar’s,*” (Mark 12:17), as an excuse to not vote. But, do you know who “Caesar” is in America?

The Declaration of Independence proclaims “*governments derive their just powers from the consent of the governed.*” Our Constitution declares it is “*WE THE PEOPLE ... WHO ... ORDAIN AND ESTABLISH THIS CONSTITUTION.*”

You and I live in a country where **WE are Caesar!** Under the plan and providence of God, WE THE PEOPLE are Sovereign under Him. Who appoints the government leaders? Who determines who the lawmakers are? YOU!

Godly Americans—Vote

To quickly and practically make a difference, we must have godly Americans voting!

It is embarrassing how few “church-going” Americans are even registered to vote. Around 1998, polls of “evangelical” or “born-again” congregations—the very ones who you would think would be the most upset about our moral degradation—show only about **25% actually voted**. That’s 25%, not 75% !! And in 2008 92% of homosexuals voted.

And this is not the worst of it. Traditionally, **primary** voting has included only 20% - just 20% of all eligible voters. And often in these primaries, each party had candidates where there was a clear choice between a more godly man or woman, and a less godly candidate!

VOTE!

What You Can Do

We must get more principled Americans registered to vote! Will you register?

It has never been easier. Federal “motor-voter” laws mean you can even register people yourself. In most states, you can get the forms you need from your Department of Motor Vehicles.

Closing your eyes to evil will not remove your responsibility. **Excuses will not work on judgment day. Either you believe in God and act accordingly, or you continue in apathy on the devil’s side.**

You may be encouraged by the following true story. A group of “Christian” citizens in a county in the Midwest took action. They decided to get involved **before** the primaries. They got **THEIR OWN CANDIDATES** into the primaries for local and state offices. Out of the 29 candidates they created, 26 **WON**. Yet this group represented less than 10% of the county’s population.

Most elections are decided by less than a 5% margin. Therefore a small group can make a big difference. God can do a lot with small, dedicated numbers.

FOUR REASONS TO VOTE

- 1. GOD EXPECTS US TO VOTE.** (PROV. 24:11-12) That should settle it.
- 2. WE ARE THE GOVERNMENT.**
- 3. TYRANNY FOLLOWS WHEN “GOOD” PEOPLE DO NOTHING.**
- 4. OVER 50% OF YOUR⁴ TAX DOLLARS GO TO “FIX” MORALITY PROBLEMS!**

Did you know that over 80% of the media elite—in charge of our news, polls, etc.—are anti-Christian?

If you want to keep your freedoms, be an informed voter.
